

**Preliminary Amendment of U.S. National Stage for International Application  
PCT/EP2003/007457 filed July 10, 2003**

**REMARKS/ARGUMENTS**

Applicants request that the amendments be entered in the specification. The amendments are of an editorial nature to enter headings required by the United States Patent Office.

Amendments have been entered at page 14, line 30 and page 18, line 12, to correct inadvertent errors which occurred during preparation of the application.

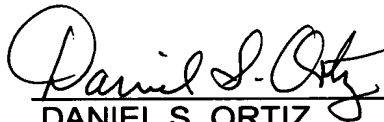

No new matter has been entered by way of amendment to the specification.

The claims have been amended to place them in a form for ready examination in the United States Patent Office. The amendments to the claims were entered to improve the syntax and to delete all multiple dependencies. The amended claims are intended to be no narrower than the original claims.

No new matter has been entered by way of amendment to the claims.

Favorable consideration of the claims in their amended form is respectfully requested.

Respectfully submitted,

---
